## OUR CUSTOMER CHARTER

We understand that the way you are treated as a customer is key in building a lasting relationship with you and your car. Trust, convenience, value for money and a friendly and efficient service are all values we believe in. We are totally committed to provide honest and accurate advice that is always in the best interest of you, our customer. We will back this, with good quality guaranteed repairs. Only by working in this way can we expect to continue to earn your support as a loyal customer.

## Fixed Price Servicing for cars 3 years plus

Alfa Romeo  
Services

We always recommend our full manufacturer's service schedule as the best, whatever the age of your Alfa Romeo. However, some owners of cars out-of-warranty prefer to choose a service that best suits their needs. Our WithCare services provide inexpensive, honest value for money maintenance from people you can depend on.

Your car is vital to your daily routine so maintaining it is essential. We can offer you a simple menu service which will cater for your own and your car's requirements - **Convenience**

We have produced 3 services **BronzeCare**, **SilverCare** and **GoldCare** each with a lesser or greater content of maintenance interventions.

As your car ages or you may be the second keeper, the previous service history may be unclear so now you can choose, with the help of our receptionist, if it helps, which level of service you should have - **Easy**

The services are fixed content and fixed price so you know from the outset what actions are to be carried out and at what price and we only use Genuine Parts - **Value for Money**. We believe there is no better place to have your car serviced or repaired than at a Alfa Romeo authorised workshop. With fully equipped workshops, Alfa Romeo trained technicians who have the expertise, specialist and technical knowledge and most importantly the desire to ensure every repair is completed efficiently.

And if this was not enough you have the peace of mind that all work carried out in our authorised workshop has a 12 month parts and labour warranty.
